**RESPONSE TO SPECIES ELECTION REQUIREMENT**

Sir:

In response to the Election Requirement mailed December 22, 2006, Applicants provisionally elect Species I and sub-species 2b, with traverse. Applicants believe that Claims 1, 3-49 read on Species I and that Claims 1, 3, 12 read on sub-species 2b.

The Examiner is requested to reconsider the Species Election Requirement because all of the species are drawn to subject matter which are so related to each other that an undue burden would not be placed upon the Examiner by maintaining all

of the species in a single application. (see, e.g., MPEP § 803)

Favorable consideration of this application is respectfully requested.

Respectfully submitted,

Dated: January 17, 2007

HARNESS, DICKEY & PIERCE, P.L.C.
